

# **Asco Solenoid Valves!!!**

## **Sales Opportunities at the Branch Level!!!**

### **Standard Pricing**

Based upon current published list prices, we are offering all branches a 30% resale discount on all standard solenoid valves, a 25% resale discount on all parts (ie. rebuild kits / coils), and a 22.5% resale discount on all Joucomatic items.

### **Special Volume Discounts**

Any order received for (10) or more valves (mix/match) will receive a 33% resale discount. All other discounts referenced above will remain consistent independent of volume.

### **Discount Parameters**

All of the above-referenced discounts are based upon the products initially shipping into one of our warehouses prior to being forwarded to your branch or specified customer destination. We can ship direct from Asco to your branch or specified customer, however, your discount will be reduced to list price for all standard orders and a 10% resale discount for orders with (10) or more valves.

### **Our Commitment To You**

**Service!!! Service!!! Service!!!**

We will be prompt in the quotation process and proactive in assuring that we provide you with the best pricing, delivery, and technical expertise in today's industry.

**We make it easy!!!**
